

Developed and patented by Arawaza, the ultimate sport bag to suit all your travelling needs is finally here. Adapted for practically any sport, the Arawaza Technical bag will outlast any other sport bag on the market.

Whether you are competing, training, going to the gym or travelling, don't look any further, this is the perfect bag to carry your gear and personal belongings.

Manufactured with only the highest quality fabrics and hardware, it is extremely versatile, provides ample cargo space and its attractive design and colors will make it stand out of the crowd.

- Stow away interior divider permits you to separate the inside into two convenient storage compartments
- Numerous pockets for organizing smaller items
- Ergonomic design and extra padding for comfort
- Generous aeration allowing your gear to dry
- Removable utility pouch
- High quality waterproof zippers
- And much more...

Ideal for any sport practitioner or for everyday use, we guarantee that the Arawaza Technical bag is absolutely perfect for you. Simply choose the size you need and you are set for your journey.
